Bunching Table

W24 D24 H22 in.

White Fossil Stone Top

Iron base in a Gold Leaf finish.

The interest in bunching tables has resurfaced as a functional answer for the cocktail table where a single serves the small settee and two or more are added for sectional and grand sofa use. Hammered iron in a gold leaf finish with a white mosaic fossil stone top.

Note: Also Available in Nickel Leaf finish: #965-120N
